

# Partial Solar Eclipse Observing

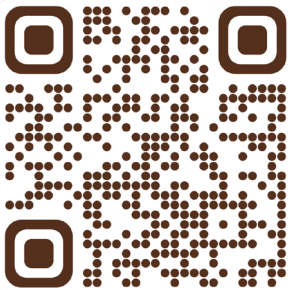

## SATURDAY, OCTOBER 14

### 12:30PM – 2:30PM

*In front of May Hall, Framingham State University*

**Organized by Christa McAuliffe Center and FSU's Environment, Society & Sustainability Department**

For more information  
and updates visit:

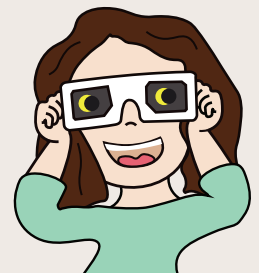

[https://cm-center.org/  
event/oct14eclipse](https://cm-center.org/event/oct14eclipse)

Participants of all ages are welcome to safely observe the partial solar eclipse!

#### **Join us for:**

- Hands-on activities
- Guided observations
- Answering questions about eclipses

#### **Eclipse Schedule:**

Maximum eclipse: 1:25 PM

We will distribute eclipse glasses to all who join us for observing. Do not look directly at the Sun without specialized eye protection designed for solar viewing.

\*This event is weather-dependent.

*This event is part of Massachusetts STEM Week 2023 and NASA Affiliated.*
