

**FSU STUDENTS:**

**WEDNESDAY, MARCH 30, 2022**  
**1:30PM TO 5:30PM**

**BECOME THE CHANGEMAKERS  
NEEDED TO CHALLENGE CLIMATE INJUSTICE  
IN OUR COMMUNITIES!**

The Christa McAuliffe Center is hiring college students to use **STEM** tools to advocate for environmental justice. Learn about this **PAID** summer internship opportunity during an **information session** at the Center.

Information sessions after showings of the full-dome film, *Habitat Earth*, at:  
**1:30pm, 2:30pm, 3:30pm, or 4:30pm**

Or, stop by **any time** between **1:30pm-5:30pm!**

*The main entrance to the McAuliffe Center is in the back of O'Connor Hall.*

**For more information about the film and internship, visit:**  
**<https://cm-center.org/event/teachin>**

**WEDNESDAY, MARCH 30, 2022**  
**1:30PM TO 5:30PM**

**JOURNEY THROUGH THE  
INTERCONNECTEDNESS OF LIFE ON EARTH!**

The Christa McAuliffe Center is showing the full-dome film *Habitat Earth* in the FSU Planetarium.

Plunge below the ocean's surface, dig beneath the forest floor, and soar to new heights to witness the intricate intersection between human and ecological networks!

Watch a showing of *Habitat Earth* at:  
**1:30pm, 2:30pm, 3:30pm, or 4:30pm**

Or, stop by **any time** between **1:30pm-5:30pm** to learn about our **PAID** summer internship for **college students** to use STEM tools to advocate for environmental justice!

*The main entrance to the McAuliffe Center is in the back of O'Connor Hall.*
